Section 743(c) of the Consolidated Appropriations Act, 31 U.S.C. 501 note, requires agencies to “publish in the Federal Register a notice that the inventory is available to the public.” OMB also requires that agencies submit an analysis of the previous year’s inventory and a plan for how the agency will analyze the current year’s inventory.

Consequently, through this notice, we are announcing that the CPSC’s service contract inventory for FY 2021 is available to the public.¹ The inventory provides information on service contract actions that the CPSC made in Fiscal Year (FY) 2021 per the Federal Acquisition Regulation (FAR) requirements in FAR part 4.1703. The information is organized by function to show how contracted resources are distributed throughout the CPSC. OMB posted a consolidated government-wide Service Contract Inventory for FY 2021 at <https://www.acquisition.gov/service-contract-inventory>. You can access the CPSC’s inventories by limiting the “Contracting Agency Name” field on each spreadsheet to “Consumer Product Safety Commission.”

¹ On October 31, 2023, the Commission voted (4-0) to publish this notice.
